## **Eclectic Author Incubator Launches New Publishing Imprint With World Class Literary Agency**

**Sonoma, CA.** DreamSculpt Books is the evolution of collaboration between DreamSculpt Media and Waterside Productions. DreamSculpt Media, Inc. was founded in 2010 with the mission of creating streaming media e-books. Founded by Jared Rosen DreamSculpt has published over 40 media enhanced e-books for many best selling authors.

DreamSculpt has partnered with Waterside Productions, the literary agency behind decades of bestsellers from MS DOS For Dummies to Eckhart Tolles's The New Earth, and Marie Kondo's The Life Changing Magic Of Tidying Up. DreamSculpt's model for publishing is focused on creating a distinctly branded media platform for their authors and to build an audience for their book before it is even published.
